CopperFIXX® Pain Relief Cream

CopperFIXX® Pain Relief Cream, 2 FL Oz Jar powered by Copper with Heat Technology with Arnica for Muscle Pain and stiffness and Joint Inflammation, Knee, Back, Shoulder and Arthritis Pain. Fast Acting

CopperFIXX® Pain Relief Cream is a high potency cream infused with copper and formulated to help thousands of arthritis, joint discomfort, muscle aches and pains by reducing the agony of their symptoms. The cream is capable of delivering a high daily dose of copper directly into the bloodstream and tissue at the site of the inflammation and discomfort. Our CopperFIXX® Cream is designed for temporary relief of minor aches and pains. Copper and Arnica help rebuild new connective tissue and increase blood circulation. Arnica is a homeopathic plant remedy that has been used for generations. It is commonly applied to the skin to relieve muscle pain, reduce inflammation and assist in healing. Topical treatments can alleviate your chronic pain without opioids, targeting pain right when it occurs. Just apply CopperFIXX® cream directly to your skin anytime you're feeling pain symptoms. CopperFIXX® is safe, simple to use and does not interfere with any prescribed internal medications.

Don't let aching joints, nagging muscle pain or minor arthritis hold you back. CopperFIXX® is the fast, effective relief you need so you can live your life on your terms—wherever, whenever. There's no burning sensation or unwanted odor. CopperFIXX® is non-greasy, won't stain most active wear and is safe to use every day.
