SunBurnt® After Sun Gel

SunBurnt® Advanced After-Sun Ultra Hydrating Aloe Vera Gel With Natural Organic Aloe Vera, Calendula, Echinacea & Hyaluronic Acid to help soothe, hydrate, cool dry skin, sunburn relief 6 FL Oz

SunBurnt® Advanced Sun Recovery

Too much sun? Get Much More Than Aloe for your face and body. SunBurnt®'s unique after-sun products combine some of Nature's best hydrating and skin nourishing ingredients like Aloe Vera, Calendula, Echinacea, Cucumber and more to immediately cool, soothe, rehydrate and nourish hot, dry skin after a day at the beach, swimming pool or backyard.

Much More Than Aloe!

Instant Soothing Relief for Sunburns

SunBurnt® contains a patented blend of some of Mother Nature's best ingredients that are proven to cool, soothe and rehydrate sunburned skin.

More Hydration, Less Stickiness

Our gel has been shown to increase skin hydration by +20%, making it a great way to cool down and recover after a long day in the sun. Best of all, it's not sticky or drying like basic aloe gels! SunBurnt® absorbs quickly without a sticky residue like many other aloe vera gel products, leaving your skin silky smooth and nourished.

Size: 6 Fl Oz **Age Range:** Ages 2 & Up **Active Ingredients:** Cantharis vesicatoria 3X HPUS, Calendula officinalis TINC HPUS, Echinacea angustifolia TINC HPUS, aloe barbadensis leaf juice, carbomer, ethyl alcohol, panthenol, phenoxyethanol, sodium hyaluronate, sodium hydroxide, water

<p>ALOE VERA GEL PLUS: SunBurnt® After Sun Gel combines a unique formula of pure aloe PLUS deeply skin nourishing ingredients like calendula, echinacea & hyaluronic acid (sodium hyaluronate), to hydrate, moisturize & provide soothing relief for dry skin, including sunburn. Best of all, unlike other pure aloe vera gel & organic aloe vera gel products, it leaves skin feeling silky smooth, never sticky!</p>	<p>ALOE VERA MOISTURIZER FOR MORE THAN JUST SUNBURN RELIEF: SunBurnt®'s patented after sun aloe vera gel is ultra hydrating & great for moisturizing skin care on the face & body. Our aloe moisturizer's nourishing blend of ingredients has shown to increase skin hydration by +20%, making it an excellent way to boost skin hydration & nourish dry skin from head to toe.</p>	<p>NON-STICKY ALOE GEL: Pure aloe vera gel & organic aloe vera gel products have been used for decades to cool down, help heal & soothe sunburn, hydrate dry skin & provide itchy skin relief. Unlike most other aloe vera gels, SunBurnt® combines aloe vera extract with additional super-hydrating ingredients & leaves your skin feeling moisturized, cool & silky smooth, never sticky!</p>	<p>ALTERNATIVE TO LIDOCAINE FOR SOLAR RECOVERY: There are many aloe vera cream, aloe lotion, after sun lotion & sun burn cream products that contain lidocaine. If you're looking for a more natural alternative to blue numbing gels that help skin recover, SunBurnt® is 98% natural & is so soothing that people have used it as a burn treatment (cooling & soothing burn relief for minor burns) & radiation cream (for cooling & soothing hot, dry skin).</p>	<p>LOVE YOUR SKIN: Many other after sun gel & after sun lotion products contain questionable ingredients. SunBurnt®'s Aloe Vera Gel has been tested by dermatologists & is hypo-allergenic. Furthermore, this product contains ZERO parabens, glycols, PEGs, phthalates, dyes or fragrances!</p>	<p>BENEFITS: Instantly cools & soothes hot, dry sunburned skin, Ultra-hydrating, Helps reduce redness and peeling, Non-sticky formula</p>

SunBurnt® Plus Pain Relief Gel

SunBurnt® PLUS Pain Relief Gel for After Sun, Non-sticky Pain Relief with Lidocaine, Aloe, Calendula, 4 Fl Oz

Sun recovery is an essential part of helping keep your skin feel nourished and youthful. Quench hot, dry, depleted skin with immediately cooling, ultra-hydrating SunBurnt® PLUS with Lidocaine for immediate pain relief.

SunBurnt® PLUS's blend of hydrating ingredients floods your skin with intense hydration and nutrient-rich botanicals + Lidocaine HCl 1%, providing fast relief for pain and itch.

Aloe Vera: Rich in vitamins and antioxidants, the nutrient-dense aloe vera plant has been used in skin care for soothing and hydrating dry, dehydrated skin and helping promote skin cells' natural regenerative properties.

Calendula: Known as the pot marigold, this historic plant has been used in medicinal and skin care treatments, mainly for its anti-inflammatory and antibacterial properties.

Echinacea: Considered a versatile, natural "miracle plant", the purple coneflower is rich in tannins and has been used in myriad skin care formulations to calm skin, soothe inflammation and assist with anti-aging.

Size: 4 Fl Oz
Active Ingredients: Lidocaine hydrochloride 4.0%
